

SAFER Driver™ Program PLUS *In Vehicle*

Comprehensive Course, Big Impact.

The SAFER Driver™ Training Program was developed for all fleet drivers to reduce collisions, minimize insurance costs, and assist employees in becoming SAFER Drivers. NTSI Fleet is your partner of choice with our customizable programs that have been proven effective to bring about long-term positive change in employee responsibility. NTSI Fleet bolsters your safety culture which results in reduced claims, minimized property loss, and limited liability for your organization.

The SAFER Driver™ Program PLUS

The SAFER Driver™ Program PLUS is a comprehensive behavioral-based defensive driving program for professional or fleet employees. Each participant will receive a certificate of completion.

What is it?

- » 4-hour Classroom training followed by an in-vehicle driving activity
- » Low-cost program allowing businesses and governmental agencies to conduct training in-house
- » Certified instructors and classroom participant guides provide everything needed to educate and empower drivers
- » Customizable curriculum to help meet organizational needs
- » Concludes with a written assessment and driver evaluation conducted by an NTSI Certified Instructor
- » Available in a train-the-trainer format
